

CUSTOM LAUNCHPAD SKIN TEMPLATE

The Geared For Worship template is based on a 8 row by 9 column grid for a total of 72 custom labels for Launchpad. Please print and complete the fields below. Please make sure to write legibly. We recommend up to 3 characters in each field with a maximum of 4.

When the template is complete the easiest way to get it back to us is to use your smartphone to take a picture of the document. Email the picture to Rob@GearedForWorship.com. If you need another option for sending us the template please email Rob@GearedForWorship.com.

You also have the option of using the following transports. Just draw them or write their name.
